ABOUT THE AUTHORS	iv
CONTENTS	vii
CHAPTER 1: WELLNESS and PHYSICAL THERAPY	
Chapter Objectives	1
Section 1: Student Physical Therapist Study of Wellness	2
Section 2: Wellness-Related Terminology and Concepts	6
Section 3: The Wellness Movement in the USA	10
Section 4: Physical Therapist Scope of Practice	16
CHAPTER 2: HOLISTIC PHYSICAL THERAPY	
Chapter Objectives	19
Section 1: Models of Wellness	20
Section 2: Model of Holistic Physical Therapy (MHPT)	27
Section 3: Holistic Physical Therapy Case Scenarios	34
CHAPTER 3: HOLISTIC PHYSICAL THERAPY PATIENT - MANAGEMENT	
Chapter Objectives	39
Section 1: Physical Therapist Patient Management	40
Section 2: Stages of Wellness and Teaching Tools	53
Section 3: Holistic Physical Therapy Patient Management Case Scenarios	68
CHAPTER 4: NUTRITION	
Chapter Objectives	73
Section 1: Physical Therapist Scope of Nutrition Practice	74
Section 2: Experiential Learning of Nutrition	75
Section 3: Nutrients	77
Section 4: Food Groups and Nutrition Leading Health Indicators	109

CHAPTER 5: NUTRITION DIETS

Chapter Objectives	113
Section 1: Physical Therapy and Nutritional Diets	114
Section 2: Evolution of Human Diets	115
Section 3: Standard American Diet (SAD)	118
Section 4: Whole-Food, Plant-Based Diet (WFPBD) and Plant-Based / Vegetarian Diets	123
Section 5: Benefits of the Whole-Food, Plant-Based Diet (WFPBD) and Plant-Based / Vegetarian Diets	133
Section 6: Whole-Food, Plant-Based Diet (WFPBD) as an Intervention	142
Section 7: Government and Commercial Diets	143
Section 8: Special Topic: Ethical Vegetarianism	149

CHAPTER 6: OBESITY AS A COMORBIDITY

Chapter Objectives	151
Section 1: Leading Health Indicators to Reduce Obesity and Enhance Nutrition and Physical Activity	152
Section 2: Energy Expenditure and Metabolism	153
Section 3: Energy Expenditure and Physical Activity	158
Section 4: Body Mass Index (BMI)	162
Section 5: Body Composition Parameters and Measurement	165
Section 6: Weight Loss and Weight Loss Diets	171
Section 7: The Complexity of Weight Loss	177
Section 8: Morbid Obesity and Bariatric Surgery	178

CHAPTER 7: MENTAL ILLNESS COMORBIDITIES

Chapter Objectives	181
Section 1: Mental Health and Mental Illness	182
Section 2: Undiagnosed and Untreated Mental Illness	187
Section 3: Mental Disorders	191
Section 4: Mental Illness and Suicide	205
Section 5: Mental Illness Treatment and the Role of the Physical Therapist	207
Section 6: Using Analogies to Understand Mental Illness	209
Section 7: Mental Illness Stigma	211

CHAPTER 8: SPECIAL TOPICS

Chapter Objectives	215
Section 1: Sex, Gender, Sexual Orientation and LGTB+ cultural competence	216
Section 2: Meaning and Purpose in Life	221
Section 3: African Americans and Wellness	223
Section 4: Family Wellness	227
Section 5: Pelvic Health and Wellness	231
Section 6: Physical Therapists as Wellness Role Models	237

CHAPTER 9: PATIENT SELF-MEDICATION

Chapter Objectives	241
Section 1: The Role of the Physical Therapist in Tobacco / Nicotine Cessation	242
Section 2: Tobacco / Nicotine Use and Consequences	243
Section 3: Prevalence of Tobacco / Nicotine Use	249
Section 4: Tobacco / Nicotine – Quit Attempts and Success	260
Section 5: Tobacco / Nicotine Cessation – Screen and Brief Teach	263
Section 6: Vaping Nicotine, Consequences, Prevalence, and Cessation	270
Section 7: Tobacco / Nicotine Relapse Prevention	272
Section 8: Tobacco / Nicotine Cessation Case Scenarios	275
Section 9: Alcohol as a Self-Medication	277
Section 10: Abuse of Prescription Pain Medication	283

CHAPTER 10: DRUGS, MEDICATIONS, HERBALS, AND SUPPLEMENTS

Chapter Objectives	285
Section 1: Physical Therapist Scope of Practice and Medications	286
Section 2: Cannabis – Medical Marijuana and CBD	289
Section 3: Herbs and Supplements	292
Section 4: St John's Wort, Kratom, Kava Kava	294
Section 5: Research – Herbs and Nutritional Supplements	296

CHAPTER 11: COMPLEMENTARY BODY-BASED INTERVENTIONS

Chapter Objectives	305
Section 1: Body-Based Traditional Medicine	306
Section 2: Acupuncture including Dry Needling	308
Section 3: Acupressure	310
Section 4: Cupping (aka Hijama)	313
Section 5: Gua Sha	318

CHAPTER 12: COMPLEMENTARY MIND-BODY INTERVENTIONS

Chapter Objectives	319
Section 1: Sleep Wellness	320
Section 2: Meditation	321
Section 3: Qigong and Tai Chi	322
Section 4: Yoga	325

CHAPTER 13: HOLISTIC PHYSICAL THERAPY CASE SCENARIOS

Chapter Objectives	329
Section 1: Case Scenario Group Assignments	330
Section 2: Case Scenarios	333

CHAPTER 14: COMMUNITY WELLNESS

Chapter Objectives	345
Section 1: Community Wellness	346
Section 2: Support Groups	347
Section 3: The APTA and Community Wellness	349
Section 4: Tools to Implement Community Wellness	350

CHAPTER 15: VIRTUAL PHYSICAL THERAPY

Chapter Objectives	353
Section 1: Precursors to Virtual Physical Therapy	354
Section 2: Virtual Physical Therapy / Telehealth	355
Section 3: Holistic Physical Therapy Website Assignment	357
