Our 93rd Fair

September

19-21, 2019

March 25, 2019

Dear Friend of the North East Community Fair,

North East is a special place to live and our Community Fair is one of the events that make it so. Do you realize our fair has been happening every year for 93 years? We are a community, family-oriented event that showcases the talents and hard work of our neighbors and friends, encourages youth involvement, and offers fun and laughs for everyone.

We are in need of more volunteers to help keep the fair going. In particular we need help with these departments:

- Rabbits
- Monitoring departments when the Fair is opening
- Friday night contests
- Sat. afternoon Pet Show
- Sat. afternoon contests

Job descriptions for volunteers and department chairs are located in this portion of our website. The Friday night and Saturday afternoon contests require a person who is willing to be a MC – able to talk in front of a crowd and keep the contests moving. We won't sugar coat the responsibilities because Fair week is a busy week for everyone who is involved. But for whatever time you can give, we have an area that could use your help.

If you have any questions, or would like to get more information about what we need or do, please call Gerri Ellsworth, Registration Coordinator at 725-5762.

Sincerely,

North East Community Fair Board of Directors
