

S.C.A.A.S.

MEMBER INFORMATION

Welcome to the St. Catharines & Area Aquarium Society. The Society was established in 1958. It is a non-profit, educational organization dedicated to the task of promoting interest in the breeding, raising, maintenance and study of tropical fish and plants both at the beginner and advanced levels. We hold our monthly meetings in the months of September to June on the last Monday off every month at 7:30pm at OurLady Of The Scapular Parish Hall, 6557 Thorold Stone Rd. Niagara Falls Ontario. At the meetings we start off by welcoming new members

and discussing club business. After that we have a presentation/speaker who will speak on a specific topic in the aquarium hobby. Following the presentation we have a short break which gives you time to look at things that are in the auction and to meet and greet with other members. All members are able to place any aquarium related item in the auction to be sold for a small fee of 30% which goes to support the club.

MEMBERSHIP BENEFITS

You have the opportunity to sell some of your own excess stock at our monthly auction	Many opportunities to meet other hobbyist from S.C.A.A.S. and other clubs in Canada and the US to share experiences and exchange information.	Newsletters containing articles as well as upcoming events such as shows and auction sales where it is often possible to buy plants and fish that may be unavailable locally
Participation in breeding and plant propagation programs, jar shows and the running of the club	The enjoyment of a variety of special speakers and programs	Discounts and participating pet stores. (see reverse)
