

# Impact Report

---

FY 2022

# *Partnership Highlights*

Partnerships with DeKalb and Clayton county government

Supporting program implementation for children in summer camps and after school tutoring.

- Over 323 children supported through after school and summer programs
- Over 2100 families supported in Nigeria, South Africa, Haiti, and metro Atlanta with Bags of Hope campaigns
- Raised over \$5,000,000 for programs with our partnerships.

ACF provides 3 strategic programs in the communities we serve.

# Programs

*Where do we create impact?*

Nutrition

Housing

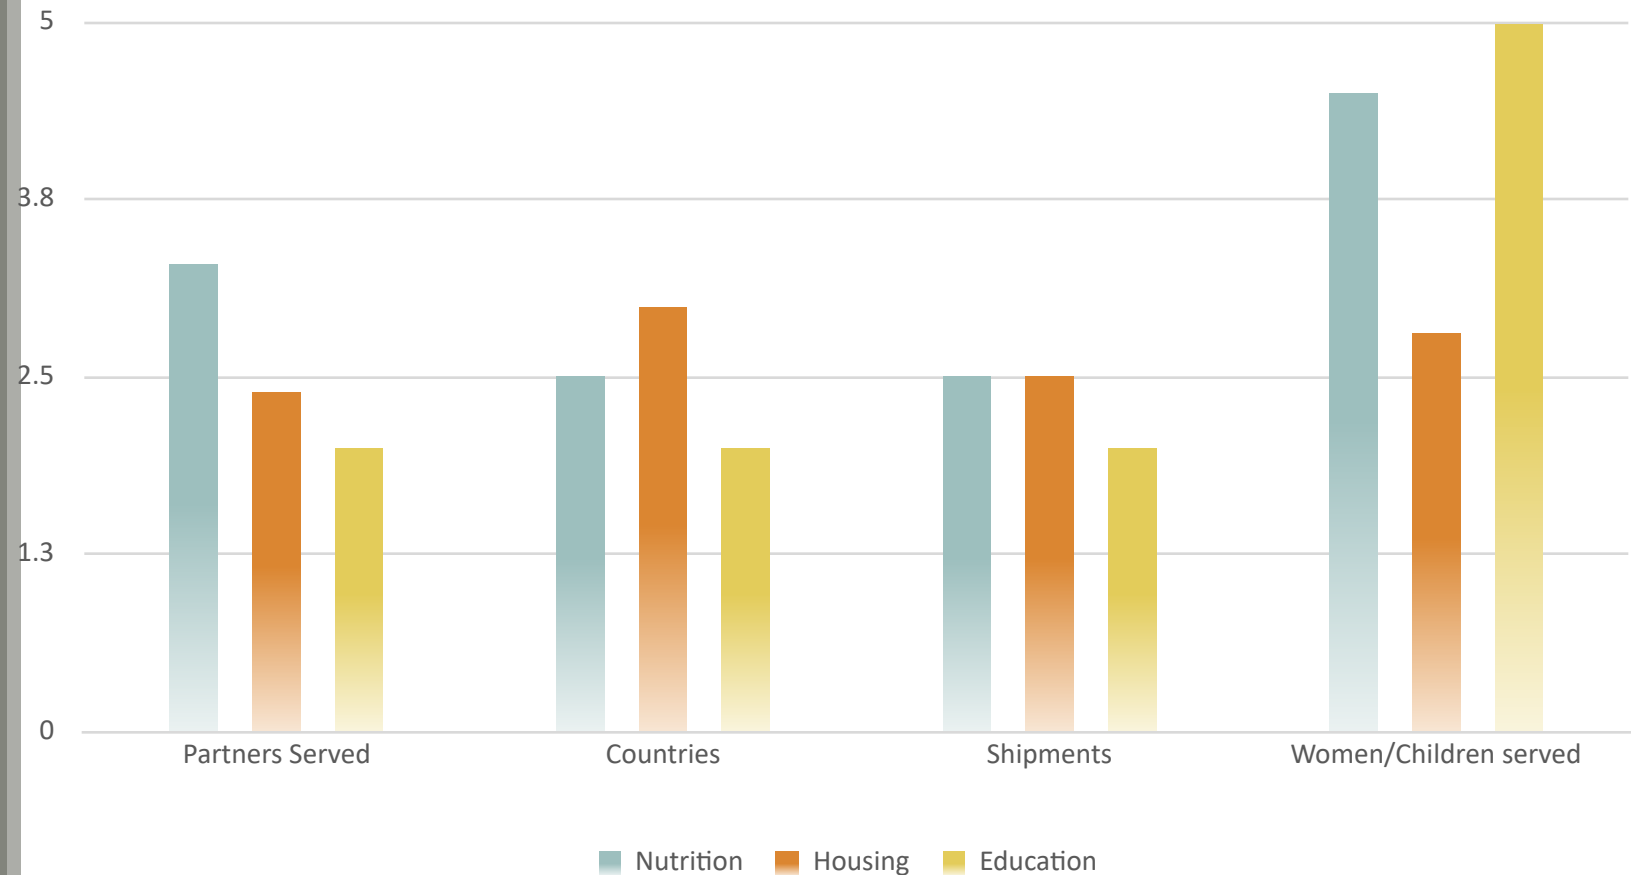

Education

# Growth

## *Building on our Growth*

Africa's Children Fund collaborative partnerships have grown substantially over 30 years, serving over 250,000 people with our impact programs across US, Africa, and the Caribbean. Year after year the partnership continues to grow to take on new initiatives and create greater impact.

# New Initiatives *Opportunities for Growth*

Expanding our capabilities to address the critical need our strategic programs and increase collaborative partnerships that are aligned with our mission and values

Add a maternal health program to our programs to reduce maternal health mortality in our communities.

Collaborate with more partners and stakeholders for the upcoming Evening of Hope Fundraising Gala for 2024 to meet our targets
