

# Impact Report

---

FY 2023

# Partnership Highlights

"Since our inception in 1993, ACF (Africa's Children Fund) has been dedicated to providing essential support to families and children in need by ensuring access to nutrition, education, and housing.

Through collaborative efforts with our diverse partners, we strive to uphold our belief that everyone deserves access to life's basic necessities."

- Our Project Excel partnership with school districts results in 2 million books shipped, with over 6000 student participants.
- 9500 served in housing programs in DeKalb, and Clayton counties.
- 2000 families served in with Bags of Hope nutrition campaign in the USA, Caribbean and Africa

ACF provides 3 strategic programs in the communities we serve.

Education

# Growth

*Building on our  
Growth*

Africa's Children Fund collaborative partnerships have grown substantially over 30 years, serving over 250,000 people with our impact programs across US, Africa, and the Caribbean. Year after year the partnership continues to grow to take on new initiatives and create greater impact.

# New Initiatives

## *Opportunities for Growth*

Expanding our capabilities to address the critical need in maternal health:

- 1.) Strengthening partnerships with local healthcare providers and organizations to improve access to maternal health services in underserved communities.
2. ) Launching maternal health education and awareness campaigns to empower women with knowledge about maternal health and pregnancy
- 3.) Providing training and capacity building programs for healthcare providers to improve their skills and knowledge in maternal health care
- 4.) Implementing mobile health clinics and telemedicine services to reach pregnant women in remote areas with limited access to healthcare facility.
