

# Recycling Reminders for the Holidays

With the busy holiday season comes more packages and more cardboard. The Middlesex County Improvement Authority is reminding residents that cardboard **MUST** be flattened, neatly stacked and tied up for curbside recycling.

## Curbside Cardboard Guidelines:

- 1) Cardboard must be flattened & tied
- 2) No pizza boxes!
- 3) Bundles should not exceed 48x12
- 4) No more than 6 bundles per home
- 5) No plastic bags!
