

## LAKERIDGE WEST COMMUNITY ASSOCIATION

---

Oh the sad twinges of Labor Day! Our summer 2022 pool season has ended. We hope you and your loved ones enjoyed our great weather, good times, and our pool. Thanks again to our friends in Lakeridge, resident Sean Donnelly, and the young lifeguards who staffed our pool this week and throughout the summer.

And many thanks to our Lakeridge West volunteers who led crafts and games, barbecued, baked, scooped ice cream, powerwashed, and troubleshot. We could not have done it without you!

Watch for fall announcements and activities! Many good wishes to all our young people starting or returning to classrooms this fall!

---
