

Step Up...We Need You!

By all accounts, it was a banner year in Lakeridge West. Between our social activities, dependable lifeguards, and sparking pools, residents who used the facilities report a great experience.

Here's the problem: we have a nine-member Board operating with just seven members, and one or two trustees are departing at the end of this calendar year. We need people who want to keep our club operating to step up to the plate and volunteer as board members.

Out of season, the time commitment is just a few hours a month that revolve around future planning, communication, and finance. In-season, the manager handles operations but board members assist at spring cleanup and social events.

Without a full Board, the 2025 season will inevitably have fewer social events such as our Opening day, parade, and holiday barbeques—all events that draw us together. Board members also recruit guest members, write the newsletter, maintain the website and Facebook page, and get quotes for needed maintenance and repairs. With a full Board, these tasks are more manageable. We need the folks who enjoy the facilities to step up.

If you want more info about the commitment or to talk to a current board member, email pool@lakeridgewest.org, or call 732-679-2262.

Vote By Mail or In-Person

Voting for this November's election has begun in New Jersey. Whether you vote by mail or in-person on November 5, make sure you VOTE. This is a precious right and civic responsibility and much is at stake.
