

## Good News...Memorial Day Is On Its Way!

Thank you to Amanda Wong and Cynthia Montagnino for stepping up to join the Board as Trustees focusing on Activities! Their efforts will enable Lakeridge West to celebrate our traditional Memorial Day Weekend and offer a creative and fun calendar later in the summer.

Both of these women are busy moms who are employed outside the home. Amanda has lived here since 2018. She manages an insurance business with her husband, Daniel Delgaio; conducts special events and parties for children and adults, and is the parent of two boys and a girl. You may have seen her facepainting our young residents at other LWCA parties.

Cynthia is a pharmacist in East Brunswick who has lived here since 2015. She has two young boys who keep her and her husband running with baseball, swimming, and school activities. She has also been a familiar volunteer in our community.

Both Amanda and Cynthia are interested in new ideas and your input. Email them [pool@lakeridgewest.org](mailto:pool@lakeridgewest.org) and watch for sign-up sheets for activities. And please continue to help make our events a success!

## Memorial Day Activities Set for Saturday, May 24

Little people can start decorating bikes, scooters, and wagons to march in our Memorial Day Parade on Saturday, May 24, starting at noon at the corner of Prest Mill and Midsummer. LWCA residents can look forward to our 2025 season with the pool opening, a barbeque, potluck dishes, and a bounce house generously donated by the Pappas Family and EXP Realty.

Watch your email and Facebook for more information, reservations, and RSVP. We need to properly plan for food purchases and other supplies so please let us know. In case of inclement weather, rain date will be announced. Many thanks to new Board members Amanda Wong and Cynthia Montagnino for organizing the events.

## Trees Cut Back and Trimmed

Sometimes people wonder why the Assessment occasionally increases or where "spare" cash goes. Well, this spring alone, LWCA spent almost \$8,000 getting trees removed that were either dead or had branches overhanging the main pool, the kiddie pool, and the playground. Some of these presented hazards, and the Pool Club is our collective property. This kind of upkeep is not always obvious but must be done to assure the safety of residents and functioning of our equipment. Additionally, residents also help with branch removal all over the property that routinely occurs with heavy winds and rain.

## Residents Help Get Club Property Ready for Opening

Although lifeguards get furniture and the pool ready for homeowners, there is still much to be accomplished. Residents volunteered last Sunday to weed, clean grills and storage facilities, pick up branches and debris, and rake tons of leaves. Many thanks to Brian Banzaca, Ed and Heather Hollema, Yvonne, Jennifer, and Kaitlyn Mazza, Ben Lamac, Karen Paton, Jeff, Jack, and Ryan Goldman, Sam from Cymbeline, Cynthia Montagnino, Ryan Gervasi, Mike Stevenson, Teresa Rafferty, and Mike Kurtas,
