Saturday Pool Barbeque Celebrates Summer 2022 Season

For those of us who have summer in our souls, the Labor Day weekend always brings a little sadness. Here comes LWCA to the rescue!

Join us for our last summer hurrah—our Labor Day Barbeque this Saturday, September 3, from 2 to 6 pm. (rain date Sunday, September 4).

Burgers, desserts, ice cream sundaes, and drinks will be provided. You can also bring a salad/side if you choose to share. You must RSVP for the barbeque. <https://bit.ly/3bPueEV>

The pool will also be open on Sunday, September 4, from noon to 7 p.m. Monday's hours are uncertain at this time; watch for updates.

Thank your Neighbors in “the other Lakeridge”

Following last Saturday's unexpected departure of American Pool, our pool management company, it looked grim for the last week of summer at the LWCA pool. The Board of Trustees met early Sunday morning to brainstorm solutions and navigate the many moving parts of re-opening the pool. Our good neighbors in our sister community Lakeridge agreed to manage our pool until the end of the season.

Several of their lifeguards gave up their last days of summer vacation to work with us. And Sean Donnelly, an LWCA resident, spent many, many hours working out the details so both pools could operate smoothly until Labor Day. Please thank Sean and the guards for their extraordinary help in ending our season on a high note!

Watch for Fall, Winter Activities and Announcements

While the summer is the cornerstone of our events calendar, LWCA will be offering some fall activities this year such as football tailgating and Halloween trunk and treat. The Board also meets throughout the winter months and will be scheduling community-wide meetings to update residents on important matters. Please continue to read our LWCA emails, watch the website, and participate in our Facebook group to stay informed.

Kudos to Brenda Rollings, our Activities Chair, and her Team

We hope you enjoyed the pot luck barbeque, arts and crafts, the movie nights, ice cream sundaes on Sundays, the last day of school party (what a distant memory!), opening day, and lots of games. Much credit for this past summer goes to the tireless organizational efforts of trustee Brenda Rollings and a team of volunteers. These events involved untold hours of planning, recruiting help, gathering supplies, setting up projectors, etc. Yes, much behind-the-scenes work, and being present on many days. In a future issue, we will thank our neighbors who assisted, but when you see Brenda, give her a big thank-you for a fantastic summer!

Good Luck to our Lakeridge West Young People!

Whether they are entering first or 11th grade, Lakeridge West has many children returning to school and college, and resident teachers who will be their inspiration. We hope you all find learning exciting, keep good friends, and experience new adventures. Much success this year!
