

FLOATING DEVICE AND WATER TOY POLICY

- Although there are some restrictions, many pool toys are allowed, as long as they are being used safely and under adult supervision.
- Water and swim rings, beach balls, "Nerf" balls, and other plastic pool toys are allowed, as long as they are not a distraction to the lifeguards on duty or a danger to other Guests. Hard balls such as basketballs are prohibited.
- Flotation devices that are either secured or not secured to the swimmer are also allowed, but note that for the safety of all Guests, rafts and oversized floats that may block the lifeguard's view of the water may not be permitted, at the discretion of the Swim Club Manager or Head Lifeguard.
- Also note that goggles and swim masks are allowed in the pools.
- Questions or concerns, feel free to ask a lifeguard!
