

NJDEP Green Acres Grant Application

Ticetown Road Park Complex Improvement Survey

Old Bridge Township is requesting your support for a grant application seeking funding for improvements to the Ticetown Road Soccer Complex.

The Township of Old Bridge is preparing a grant application through the New Jersey Department of Environmental Protection Green Acres Program for planned improvements at Ticetown Road Park, located at 526 Ticetown Road, Old Bridge, NJ 08857 (Block 13003, Lot 14), near the intersection of Ticetown Road and Bernadette Road.

The proposed project includes the installation of natural sodded athletic fields, an irrigation system, upgraded sports lighting, and stormwater management improvements. These enhancements are intended to improve park usability, safety, and environmental sustainability for the community. Your support for this grant application would be greatly appreciated and would help advance these important improvements for our residents.

Please complete our survey, linked in the caption, the deadline for the public engagement responses to be received is January 24, 2026.

We will be hosting a Public In-Person Community Engagement Meeting on Thursday, January 22 at 7PM at the Old Bridge Township Civic Center, located at 1 Old Bridge Plaza.
