

# Standard Grazing Table

## WHAT IS A STANDARD GRAZING TABLE?

A grazing table is an elaborate and visually appealing food display that features a diverse assortment of delicious bites and treats, typically arranged on a table or surface. It includes a curated selection of cured meats, cheeses, crackers, fresh and dried fruits, nuts, dips, spreads, and a variety of complementary accompaniments, offering guests the opportunity to create their own unique flavor combinations and enjoy a communal and interactive dining experience. Included with the food is disposable plates, disposable cutlery, napkins, and decor.
