

Grantham Optimist Club

Softball League Medical Information Sheet

After completion, this sheet is to be given to the team's coach to substitute for a parent or guardian's historical medical knowledge for the player/child in case of emergency. This form is not a treatment instructions, but important information supplement while parents or guardians are absent from the player/child during games or practices. This paper is to be kept confidential and stored where easily accessed during all games and practices, but private.

THIS SHEET IS NOT MANDATORY FOR PARTICIPATION, but highly recommended.
