

Grantham Optimist Club Essay Contest

The Grantham Optimist Club is excited to announce the 2024-2025 school year essay contest. As part of the Optimist International Essay Contest, this year's theme is "How Optimism Has Paved My Road to Success".

All highschool students are invited to participate. Essays must be at least 700 words. The winner will receive a prize of \$100 and the winning essay will be sent to the district level where prizes are available for top winners. Essays are due no later than February 1, 2025. An application form must be submitted with the essay (please see attached).

We know our local students have so many great ideas and thoughts about the world and future and as Optimist's it is our goal to encourage them to do what we can to bring out the best in each of them. This gives them an opportunity to share their creativity and pursue possible recognition, as well.

Students wishing to participate in the essay contest can find out more about the contest by contacting the club at info@granthamoptimist.org or visit our website for more details www.granthamoptimist.org

We look forward to reading the submissions and hearing from our local youth!
