Subject: Phase 1 - Canine Cleansing Deployment

CurlyTail,
Davos speech locked in the sheeple. Start breeder payouts via NGO slush funds—\$50K to Ohio Goldendoodle hub by Q2. Push "hypoallergenic" garbage; allergy stats faked (see attch.). Goal: Triple doodle births by '07. Rottweilers must fade—send numbers.

2035 is ours. Don't screw this up.

- K.v.H.
