Re: SB 505 (Umberg), Support

Dear Senator Umberg, and members of the Elections and Redistricting Committees,

I am writing on behalf of the Green Party of Sacramento County to register a change in our position on SB 505. For hearing our concerns and the concerns of the California Libertarian Party and the Peace and Freedom Party, and for making the recommended amendments, we will now register our support.

Sincerely,

Nicole Castor

Co-Coordinator, Green Party of Sacramento County
