September 2024 Newsletter

Summer's nearly over, Happy Labor Day and welcome Fall! We have a lot of activities planned for this month so please come and support your lodge! Our regular meeting this month will be on September 5th with an initiation of 3 new members and balloting on 2 new members and our 2nd meeting of the month will be on the 19th, board meeting on the 16th.

If you attend the meetings, you learn so much about the planning of events and decisions made concerning our lodge. All members can provide their input and voice their opinions but only if you attend the meetings!

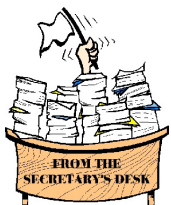

On **September 6th at 3:00** our **State President, Bill Roper** will be making his visit to our lodge and also on the **6th we will have a dance from 8-12 with Crooked Jester**, \$10.00 a person so come join the fun. There will be a meal available also before the dance.

We have a sign-up sheet in the lodge for people volunteering to cook on Friday nights which has been very successful! A big THANK YOU to everyone who has participated either by cooking or eating! Let's keep it going!

Our **barbeque** this month compliments of Rich and Deb Simms will be on **September 21**. Always a good time with good food so come join us and support our Lodge!

The **bike ride** for Hogs, Harleys and Hot Rods is on **September 28th**. This event is for St. Jude, so please come support this important charity either by riding, helping in kitchen, participating in the auction, organizing or donating! If you are on the committee, you will be notified of a date for a meeting.

Our date for the **Children's Christmas party** has been set for **December 15th** so mark this on your calendar.

Thank you to everyone who responded to the dues reminder and sent in those dues! We still have some though who need to take care of this. Remember you are not supposed to be in the lodge/ lounge until your dues have been paid! Your lodge uses the proceeds from your dues for lodge maintenance and expenses so please support your lodge! Names of new candidates are posted in the lodge every week so all members can be included in the balloting on new members at the meetings. It's also scholarship time for nursing and trades and most valuable student so visit Tnelks.org for more information.
