Market Strategy Document:

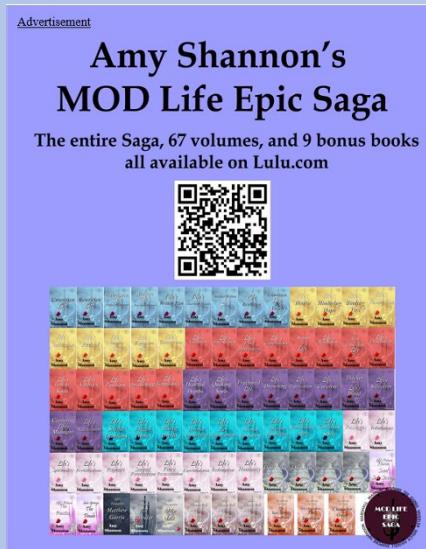

This document (template created by me and is property of Essence Enterprises, my company), helps an author put all of their information about the book inside one document. It includes information about the book, templates for query letters, press releases, press or media kits, hiring literary professionals, and various ways and places to market your work. You can purchase a copy of my template (MS Word Compatible) for \$50. If you wish for me to help you with the market strategy document, the minimum price is \$100 and the regular price is \$150.00

Have an 8x10 (Portrait) Ad created, use it for promos or media kit. (or landscape (10x8))

They can be used to upload to social media sites, used in press kits, or even printed out as flyers when you do book signings, or mailers. The examples show that each one has a QR code and can promote one book or a series. This promotion is not included in the Tier program, and is a separate add-on, or a single request.

Minimum \$ 25 maximum \$35 per advertisement or printable flyer
