All badges, images, and logos regarding Essence Enterprises/Amy Shannon are content and copyrighted by Essence Enterprises/Amy Shannon.

### **Other Business Logos and Advertising**

Other business logos and advertising, including those book review directories, and all the images on the Business Bulletin Board, and their connected hyperlinks belong to that particular business or person.

## **ETHICS POLICY**

Essence Enterprises/Amy Shannon only reads, promotes, edits, or represents books of most genre from any author, as long as the policies and rules are followed. (However, Essence Enterprises/Amy Shannon does NOT read, edit, or promote anything that supports racism, or bias against any race, gender, sexual orientation, or hate of any person or group).

## **PRIVACY NOTIFICATION:**

Amy 's Bookshelf Reviews will NEVER share or sell the books that are provided this website for promotion. In some cases, lines from the book may be "quoted" in the promotion. All files provided to Essence Enterprises/Amy Shannon are confidential and kept in a digital and encrypted file and will not be shared with anyone for any reason. After the book has been promoted, or edited, or represented, the digital copy of the book is deleted, as is the book cover.

Files that are uploaded by the author to a public Google Drive, are then moved to a private Google Folder, downloaded when the book is to be read, and deleted when the book is finished, and the review written.

Any information that is asked to NOT be revealed is kept secret (such as real names of authors) as this site only uses the PEN NAMES for the authors (only is it the real name if the author intends to use their real name on their titles). Any questions or comments regarding this policy can be directed to Amy Shannon, owner of Essence Enterprises.
