Sars Springs has always seen its share of interesting and even evil residents, but when the evil is hidden or even lurking in the shadows, everyone who lives and works in Sars Springs is a possible target.

Welcome to Sars Springs, AZ. Where the residents are a close nit family, whether related by blood or not. Rising Depths refers to the fear of not only the known evil of the past, but the unknown that swarms and haunts the town. Walk along the streets and come into the homes of the most prominent citizens and watch as their worlds are turned upside down.

45 Life's Doomed Immortality

Volume 45 of 67

Dr. Raina Markum sets her sights on healing those who are sick and beyond sick. As she, herself, is afflicted by an unknown poison, she fears the worse when her husband is kidnapped. She knows deep in her heart that the culprit is just another demon from her past. The pain in her heart worsens as her little sister, literally trips over a dead for now, Terry Markum.

The local police department sets itself in full force when everyone becomes involved in searching for the man who kidnapped and murdered Terry.

The Carleno sisters come to the forefront in the story as their lives are expanded on as Lexa returns to Sars Springs, with the secret of her shocking career. Will she change her focus when she starts dating a cop?

Torn between two men, Jorie makes a decision that pits self-safety over heart safety.

Residents of Sars Springs engage in the life that is destined to be their own with their families. Lives are turned upside down and allow individuals to evaluate their life and happiness. Will the return of a self-proclaimed immortal break down the faith and destiny of the town?

46 Life's Raw Enforcement

Volume 46 of 67

Two high priority cases hit the desks of the Sars Springs Police department. When Markums are seemingly being hunted, the whole town is on high alert, as the police are scrambling to put together the puzzles of hidden clues. Newcomer FBI Agent Nick Gideon has several ties to Sars Springs but not everyone welcomes his arrival.

Partnerships in law and love try to maintain focus as the secrets are slowly leaking out. Love is in the air as couples try to not let their career take away from what they have waiting at home.

Elena starts her new project focusing on the legacy of the family and its town. Will she shed a new light on the law enforcement in the town or will they beg her to bury her project?

Dr. Raina Markum does her best at taking care of her husband, who is an injured Markum, as well as keeping everyone else's secrets. Will she be able to hold it together when it becomes obvious to her how to solve the problem of keeping her family safe?

47 Life's Deemed Corruption

Volume 47 of 67

Dr. Raina Markum has been a constant target for her ex-husband, John Reardon. This time, she's been accused of murder ... the murder of John Reardon. Last year, Reardon's head was found, with no suspects in sight. This year, somehow, the FBI found the evidence that links Dr. Markum to his murder.

In a public arrest, the town debates among themselves on her guilt or innocence. Even when she's released, she's treated in a way that she never expected.

Raina falls into a deep depression as those around her scramble to prove her innocence. Whether it's a rally for her sanity or stability, Raina doubts herself and her own worth.

Meanwhile, others' relationships are taken to a whole new level, but will the impending trial put a damper on the happiness of the town?

48 Life's Inherent Immorality

Volume 48 of 67

Terror hits the town of Sars Springs as the demons of the past haunt many residents. Fearful that their own genetics are responsible for who they are and who they don't want to be, some will go to any length to get rid of who they are inside.

Revenge throws a blanket on the town as they struggle with their own demons as well as the one who is lurking in shadows. Faith in each other can put a damper on the relationships of the lovers and friends.

Will the town residents be able to overcome the tragedy that is set forth or will they believe the inherent demons affect their own morality?

49 Life's Retrospective Legacy

Volume 49 of 67

Fear and anger spread through the town as the painful pasts become front and center in their minds. A tragic accident adds to Dr. Raina Markum's stress level as she had to care and raise another child. Dealing with her own disability, clues start to unravel as a new face settles down in Sars Springs and is here to stay ... but is he who he says he is?

Ely Haskell falls head over heels in love, finally, as his mother and her law partners become the targets of a madman. Will the anger from the past be put to rest as reconnections with family are drawn together? Life and death, as always, plays a part in the lives of the residents, but will it be more life than death or the other way around?

50 Life's Torturous Souls

Volume 50 of 67

Lurking in the shadows of Sars Springs, an evil exists. Implementing hate with a weapon as the gay men and women become targets. No one is safe once the bat swings and changes lives forever.

The souls of some are tortured as they try to figure out what they want in life ... try to find out who they are ... when the answers were there all along.

Does the outward hate turn into themselves or can the greatest of disabilities be overcome?

51 Life's Passages

Volume 51 of 67

Terry Markum is always very protective of his wife, and things get hairier when she is in an accident that disfigures her. As he saves her life, he has to deal with life without her, such as raising her 14-year-old sister.

Things get more interesting when Raina's brother, Matt, also moves in with the Markums. Matt tries to figure out his own life when he is tired of being lonely. He looks to find a new lease on life when it walks through the door. Life seems complicated enough when young love can be interrupted by obsession.

The dangers of being a target of unwanted love and obsession can get the entire town involved in a dangerous situation. Can love conquer all or can it be destroyed before it grows?

52 Life's Tribulations

Volume 52 of 67

Life comes with a price. Sometimes it may cost an arm, a leg or even a foot ... or just another life. In Sars Springs, there is always a surprise, for good or for bad, at every corner.

A happy homecoming may be more than Dr. Marcus Markum hoped for, when he finds one son coming home for amends, while another fights for his life on his surgical table.

Mayor Mick Dix finds himself with a vast amount of struggles, when he attempts to find happiness with a new relationship, but when tragedy hits close to him, he finds himself struggling between helping his grandfather and the memory of his late wife.

When shots are fired in the ER, lives are changed forever, just as Dr. Raina Markum finds herself with her own struggles.

When does the price of life become too high? The trials and tribulations that face the Sars Springs residents may impact them for the rest of their lives. Who will pay the price and who will face it head on?

53 Life's Spirituality

Volume 53 of 67

There's a sense of peace in Sars Springs until a new wave of back from the dead residents return. Familiar faces are taking the town by storm, with links to the FBI and the past connections with town residents.

Parents have to focus and worry about their children, both young and old, when they have to face the things that could tear them apart. Not all parents are made the same and it becomes horribly clear when more than one puts a child in danger.

The feeling of spirituality comes from the feeling within oneself and how others are perceived. Sacrifice can be the best gift life has to offer.

54 Life's Revitalizations

Volume 54 of 67

The death of a local woman turns the Markum's world upside down. Secrets that stem so deep from the past makes the Markums question everything. As guilt and regret become major feelings for Terry and Raina, the world's most wanted man threatens their happiness. Especially when his focus is set upon an unlikely man.

Jim finds an old friend in need of his friendship and sobriety as the rest of the family try to figure out if they truly know the residents of their town, their community.

Will the Sars Springs police be able to finally bring down Paul Welch and find justice or is it just another clone bearing his name and face?

55 Life's Rapture

Volume 55 of 67

The pains of the still haunt the Markums, as physical and emotional pain overwhelm the mind and body. Reminders of what used to be and what still is can haunt even the strongest man. Afflicted by an ongoing illness, Terry struggles with his health and an unwanted obsession by Dr. Paul Welch. The town gathers for support in a way not ever seen before ... truly showing the meaning of community.

Two new additions are welcomed into the families as a long-deceased member is finally remembered. Celebrations are pushed off as two fugitives hit the town with a horrendous force, causing death and injuries in their path. Will the town be able to stand strong or will it falter and decay?

56 Life's Sacred Retaliation

Volume 56 of 67

Terror strikes Sars Springs when children end up missing. The entire town buckles down and searches every inch of the town and the outcome is worse than anyone can imagine.

Xavier faces a near-death situation, and he must decide on his own fate. His decisions takes him in the direction of learning more about his family, even those he thought were ashamed of him.

Terry and Raina do their best to overcome their own disabilities and pain as they try to help others in the town. When one of their grandchildren is afflicted with a terminal illness, they do their best to help her, even sacrifice their own health.

Life is proven to be more sacred than ever as little ones have to suffer due to the hands of monstrous adults. Will they become more victims or survive to live another day?

57 Life's Fiery Resuscitation

Volume 57 of 67

When relationships change, sometimes they are stronger and sometimes, they dissolve. This happens all over the world, but when many couples have struggles in Sars Springs, it can affect the entire town. The inner struggles that many couples have to endure can lead to despair or strength.

Follow the lives of several couples of Sars Springs to see how they can overcome their struggles, strain, and resuscitate their inner self, as well as their relationships. Sometimes things are not what they seem, sometimes, things need to break up, sometimes, things can never be repaired, and other times ... they can be revived.

58 Life's Experimentation

Volume 58 of 67

Looks like a new experiment has hit town and this time, the Markums are the target. When the focus surrounds the town's most feared and hated man, will all other suspects be ignored?

The lab starts filling up with patients, as the Fire Chief continues to be a hero, against his own physical limitations. Will Logan finally succumb to his own injuries and have to retire from his most valued job? Will the strain of his injury cause him to push Mark away, or pull him closer.

Logan isn't the only one who lets his ego and pride get in the way, Xander, faced with his own accident, has to come to terms with how he feels about his wife's helpfulness and his role as her husband.

The experiment is just the beginning for the residents of Sars Springs.

59 Life's Redemption

Volume 59 of 67

Dr. Marcus Markum has to come to terms with his past, which includes a secret that is about to become part of everyone's existence. Marcus finds the courage and strength to bring his newly awakened friend back to Sars Springs. Unfortunately, this man was one of the most feared ... a serial murder and rapist ... but do the citizens have a reason to still worry or can Dr. Tom Larkin redeem himself?

Tom isn't the only who tries to redeem himself, still the town's most hated man, Dr. Paul Welch decides to take on a new patient as Mark pleads for his help. Will Mark's request break him and Logan or pull them close together?

60 Life's Humanity

Volume 60 of 67

A multiple killer has put his sights on Dr. Raina Markum and her family, actually the whole town. The first seventy-two hours are the most critical as people struggle to survive especially when there's nowhere to hide. Only one person can save this town from the evil vengeance, but will she risk her life or the lives of those around her? Some residents say farewell to Sars Springs, but at what cost.

Sars Springs and its residents will never be the same again and some have to leave without choice.

61 The District Life: Districtive

Volume 61 of 67

While most of the surviving residents of Sars Springs stay in Sars Springs, some residents are forced to move to The District as a price for saving their life. The District's Life story begins the transition for some of the residents of Sars Springs to the new city only referred to as the District. Rules, contracts, and requirements are placed on the residents of the town, which is designed based on Sars Springs, Arizona.

The District, located outside of Washington DC is an extension of a military base that houses armed forces of all branches of the service. The residents must obey and follow the rules of the Director. Survival counts on the obeying of the rules, but can a town be created with the intention of ruling the lives of its residents? Especially when some of the residents are forced to live in the District, when all they want is to go home.

62 The District Life: Disarray

Volume 62 of 67

Raina and Terry receive an unexpected visitor who is in desperate need of Raina's help and support. Trey Emerson arrives with a murder warrant hanging over his head from a death in Sars Springs.

Trey's visit isn't the only thing that's unexpected as two patients are revived and forced to make a life for themselves, after learning they are part of the survivors of the massacre in Sars Springs.

Life is in disarray in the District, especially when the Director is faced with his own demons and comes face-to-face with a man, who could put his position in jeopardy.

63 The District Life: Disassembled

Volume 63 of 67

Dr. Raina Markum and her husband live in the District, a gated town located about 20 miles outside of Washington D.C. The town is run by Director Frances Gage, who believes that he is in total control. The Director is known to abuse his power, but has been trying to influence the man he says he loves, Trey Emerson. Emerson does not share the Director's feelings.

When Terry leaves for Sars Springs due to a tragedy that hits his family, Raina is left to fend for herself, but soon finds much needed company.

The town becomes a target of a serial killer, who leaves behind body parts of the patients he steals from the District Medical Center. The power of the Director comes to focus as tensions rise in the District. Is the Director behind every issue that the District encounters? Or is there someone more sinister?

64 The District Life: Disapparent

Volume 64 of 67

Something is very wrong in The District. With a new Director in place, mistakes are made. Deadly mistakes. A toxic gas enters The District under orders to gain control of the Jefferson clones, but someone has tampered with the gas, and several of its residents are stricken. The District is on lockdown and all of its residents are dealing with the aftermath of a Military retreat.

The District is in new hands and may be coming to an end. What will President Rothchild do to the current District? And will there be any survivors of the toxic gas?

65 Life's Return: Home Sweet Sars Springs

Volume 65 of 67

Years ago, in Sars Springs, there was a town-wide massacre, started by the late mob boss, Enrique Cardoza, and his men. Eighteen of the residents of the town were killed, including Dr. Raina Markum. Dr. Markum was revived by the government, and in order to pay back the debt of giving her back her life, she was forced to live in The District. Some of the victims were revived, and others, remain in a death coma, and some were buried, and their loss mourned.

Raina's husband made the choice to live in the District with his wife. Some of the residents of Sars Springs also chose to live in the District, and did for many years. Two months ago, the District was shut down and revitalized, giving the residents the option of returning home or to the District. Most returned home.

Welcome back to Sars Springs, in a new series that focuses on the Markums and their extended family.

66 Life's Return: The Practice

Volume 66 of 67

After they returned home, Dr. Raina Markum was requested by the President of the United States, Avery Rothchild, to open her own practice to keep her patients from the District, and to care for future patients, that may need to be secured. She never dreamed that one of her patients would be the President himself. Dr. Markum partners with Dr. Paul Welch and they open The Practice, which is also run by Trey Emerson.

Paul and Trey are feeling out of the start of a relationship, while Paul is dealing with the jealousy of Mark, who was recently revived and came back to be with Logan. The connection of the roommates grow as does their family, while they are still showing Laura and Mark, the art of the roommate-ship.

Meanwhile, Jim does his best to motivate his best friend into fighting for his life again and regaining some of his mobility. Terry does his best to learn how to use his wheelchair, but he aspires to be on his own two feet again.

As the President comes to Sars Springs, a request from the past, haunts Evan as the former Directors both make pleas for assistance with the law firm lawyers. Will the requests cost someone their life or just their freedom?

67 Sars Springs: The finale

Volume 67 of 67

Sars Springs, Arizona is no stranger than the typical town, however, its residents, all of them connected in some way or another, bring a flair to its town. The Markum O’Roark Dix “MOD” Life Epic Saga is concluding its long saga, with this last volume 67. Enjoy the final stories of the residents of Sars Springs before they say good-bye for the last time.

Dr. Raina Markum is elated when the last of her death coma patients is revived, while she also has to help the town figure out the puzzle of the largest crime scene in Sars Springs History. The doctors, coroners, CSU staff and law enforcement join forces to figure out the crimes against persons considered and sold as “medical waste” to a serial killer. That’s not the only story, in this finale, and it’s the chance for readers to say adieu to their favorite residents, and in one case, a final goodbye as one resident takes a final destination to the afterlife.
