

## 🔥 Warfare Prayer Against the Spirit of Sabotage

Father God,

In the name of Jesus Christ, I step into the courts of Heaven and take my rightful authority as a blood-bought child of the Most High God. I put on the full armor of God and rise up in the spirit realm to confront and overthrow every demonic assignment of **sabotage** sent against my life, my relationships, my destiny, and the divine assignments You have entrusted to me.

I bind and break the back of the spirit of sabotage now in Jesus' name!

Sabotage—you foul, lying spirit that comes to destroy what God has built—you are EXPOSED. I see you. I discern you. I renounce your lies. You will not derail my progress. You will not destroy my credibility. You will not delay my breakthrough. You will not twist what God is doing in my life.

I release the fire of God against every *word curse*, every *false accusation*, every *hidden trap*, and every *Jezebelic alliance* formed in secret against my name. Let the fire of the Holy Ghost consume your schemes now!

### **I decree and declare:**

- What God has started in me, **no demon can stop** (Philippians 1:6).
- I walk in divine wisdom and discernment; no weapon formed against me shall prosper (Isaiah 54:17).
- My feet are like hinds' feet—I will not stumble; I will not fall (Psalm 18:33).
- The plans of the enemy are turned back into his own camp (Psalm 35:8).
- God is my vindicator, and He rises on my behalf (Isaiah 54:17; Psalm 37:6).

I call down angelic reinforcements now. Warring angels, be released to tear down every demonic structure of sabotage. I silence every lying spirit, every whisper of doubt, and every manipulative tactic sent to dismantle my God-given purpose.

Spirit of sabotage, I command you to flee. You are rendered powerless. The blood of Jesus is against you. The roar of the Lion of Judah shatters your voice!

Lord, I loose the spirit of truth, honor, protection, and divine alignment.

Let doors open that no man can shut. Let divine acceleration come. Let restoration manifest. Let every hidden assignment be exposed and overturned by the light of Your glory!

I prophesy that what was delayed will now be delivered.

What was stolen will be restored.

What was sabotaged will be rebuilt stronger, wiser, and with greater glory.

In Jesus' mighty name,

**Amen and Amen!**
