

## Warfare Prayer for Heart Issues (Physical & Spiritual)

Father, in the name of Jesus, I lift up every heart under the sound of my voice. I decree and declare that the power of the Blood of Jesus flows through our hearts—physically, emotionally, and spiritually. I bind every spirit of infirmity, heart disease, high blood pressure, and circulatory disorder. I command every physical blockage in the arteries, veins, and chambers of the heart to dissolve now by the fire of the Holy Ghost. Let the life-giving flow of the Spirit restore and strengthen every heartbeat.

Lord, You said in **Ezekiel 36:26**, *"I will give you a new heart and put a new spirit within you."* I declare this word over Your people. Father, where the enemy has tried to harden the heart with bitterness, rejection, disappointment, or trauma, I decree those stony places are shattered and replaced with a tender heart of flesh, responsive to Your Spirit.

I break and renounce every generational curse of heart disease, emotional brokenness, or spiritual hardness. By the authority of the name of Jesus, I sever every demonic root feeding heart failure, fear, unforgiveness, grief, and depression. Let every chain around the heart be consumed by Holy Ghost fire!

I prophesy healing, wholeness, and divine alignment. Let the heart beat in rhythm with the Spirit of God. I decree that peace shall guard our hearts and minds in Christ Jesus (**Philippians 4:7**). I command the spirit of heaviness to lift, and I loose the garment of praise over every weary soul.

Father, burn away pride, idolatry, and rebellion. I prophesy that the heart of stone become the heart of flesh, let the weary heart become the strong heart, let the broken heart become the whole heart, in Jesus' mighty name.

I seal this prayer in the Blood of Jesus, and I decree supernatural strength, new vitality, and a fresh passion for God arising now. The hearts of Your people shall not fail but shall flourish, bearing fruit in every season. Amen and amen!
