

## **Warfare Declaration: Ruling, Reigning, and Taking Territory**

### **I decree and declare:**

I am seated with Christ in heavenly places, far above all principalities, powers, rulers of darkness, and spiritual wickedness in high places! (Ephesians 2:6, Ephesians 1:21). I have been anointed and appointed as a king and a priest and I shall rule in the midst of my enemies (Revelation 1:6, Psalm 110:2).

### **By divine right, I take territory.**

Every place the sole of my foot shall walk the Lord has given it to me. I rebuke every demonic squatter, every illegal occupant in my assigned region. I serve eviction notices to territorial spirits, witchcraft strongholds, marine spirits, and serpentine powers. I disarm them now by the blood of Jesus and cast them out by fire! (Joshua 1:3, Colossians 2:15, Luke 10:19).

### **I rise as a territorial commander.**

I release the scepter of righteousness and declare the kingdom of God is advancing. I plant the flag of victory in my home, my city, my business, and my nation. I break demonic embargoes, overthrow satanic governors, and bind monitoring spirits sent to hinder the expansion of God's kingdom.

### **I rule with revelation and reign by the Spirit.**

I have the mind of Christ and the wisdom of God. I speak divine strategies into existence. I release angelic reinforcements, fiery chariots of glory, and supernatural surveillance in the spirit realm. Let the thrones of wickedness be overturned. Let ancient gates be lifted. Let every territorial altar be dismantled by the thunder of God! (1 Corinthians 2:16, Psalm 24:7, Judges 6:25).

### **I walk in kingly authority and apostolic might.**

The Word in my mouth is a sharp two-edged sword. I legislate heaven's will in the earth realm. I issue divine decrees that shift atmospheres, cancel curses, and release captives. I break the back of delay, sabotage, and resistance.

I say to every dry place: Become a wellspring.

I say to every gate of brass: Be shattered.

I say to every territory assigned to me: Come into alignment with the government of God!

### **Now, I rise in my kingship. I walk in my dominion. I occupy until He comes.**

Let every demon know: **The king has taken his place. The throne is occupied. The territory is governed by heaven's decree.**

**In Jesus' mighty name. Amen and Amen!**
