

Father, in the mighty name of Jesus,
We rise tonight with fire in our bones,
With swords in our mouths and faith in our hearts.
We come not as beggars, but as blood-bought sons and daughters.
We stand on Your Word that says, "The thief must repay sevenfold."

So now—we decree:
Everything stolen must return!
Time that was lost—be redeemed.
Peace that was shattered—be restored.
Joy that was buried—resurrect now.
Destiny that was delayed—accelerate by the hand of God!

We speak to the North, the South, the East and the West:
Release what belongs to us!
Angels of recovery, be dispatched now!
Angels of war, tear down every demonic barrier!
Every plot, every snare, every lie—be exposed and overthrown.

We declare:
This is the hour of divine reversal.
What the enemy meant for evil—God is turning for our good.
Where there was lack, we now declare overflow.
Where there was confusion, we now declare divine clarity.
Where there was delay, we now declare sudden breakthrough!

A Prophetic Prayer-Decree: Taking Back What the Enemy Has Stolen

Lord, You are the God of justice.

You are the Avenger of the oppressed.

And now, by the authority of Heaven,

We step into the enemy's camp and say:

We take it back!

Take back the vision!

Take back the anointing!

Take back the voice!

Take back the promise!

Take back the land!

Take back the harvest!

We will not shrink back.

We will not be silent.

We are warriors of light,

And today—we recover all!

In Jesus' mighty name,

Amen and amen!
