

Warfare Prayer to Cancel the Curse of Neglect

Father God, in the mighty and matchless name of Jesus Christ, I come boldly before Your throne. I humble myself and repent for every open door that has allowed the curse of neglect to take root in my life. Lord, forgive me for the times I neglected Your voice, Your Word, Your instructions, and even the assignments You placed in my hands. Forgive me for neglecting relationships, opportunities, and responsibilities that You entrusted to me. I renounce all passivity, distraction, procrastination, and spiritual slumber that have worked against my destiny in Jesus' name.

Lord, I repent for any generational neglect — where my bloodline turned away from responsibility, stewardship, or care. I break every ancestral agreement with the spirit of negligence, abandonment, and delay. I decree and declare that the blood of Jesus severs every generational cord tying me to patterns of neglect, apathy, and inconsistency.

I forgive those who neglected me where they should have protected me. I sever soul ties with anyone who entered my life and brought in the spirit of neglect.

Right now, I command every spirit of neglect, abandonment, delay and disregard to loose its hold over my life, my family, my ministry, my health, my finances, and my purpose — **NOW** in the name of Jesus!

Every door that was closed because of neglect — Father, in Your mercy, reopen what still aligns with Your will. Restore the years the locust has eaten, redeem lost time, and breathe life into every dormant gift, every forgotten dream, and every neglected calling.

The curse of neglect is broken, destroyed, and cast into the fire of God's judgment — never to return again.

And now, I seal this prayer in the blood of Jesus — over my mind, my spirit, my household, and every area of my life. No backlash, no retaliation, and no counterattack shall stand. The blood of Jesus speaks better things over me, and I walk in renewed diligence, divine order, and supernatural focus.

In Jesus' mighty name, I sealed this prayer by the blood of Jesus!
