

Heavenly Father,

Thank you for the power and authority you have given me through the blood of Jesus.

Lord, I ask that You sanctify my dream life. Let every gate of the mind, every portal of the spirit, be covered in the blood of Jesus. I bind every hindering spirit assigned to block, distort, or steal dreams. Every demonic interference, every monitoring spirit, every assignment of darkness that seeks to bring fear, delay, or deception—I command it to be broken now in Jesus' name.

Your Word declares in Psalm 4:8, *"In peace I will lie down and sleep, for You alone, Lord, make me dwell in safety."* So I decree that sleep shall be governed by Your peace and not by fear, anxiety, or torment.

I declare according to Proverbs 3:24, *"When you lie down, you will not be afraid; yes, you will lie down and your sleep will be sweet."* Let sweetness fill the night hours. Let rest be deep, undisturbed, and restoring.

Father, Your Word says in Psalm 127:2 that You give Your beloved sleep. I receive that promise now. I reject striving, restlessness, and exhaustion. I enter into divine rest.

I cancel every ungodly covenant made knowingly or unknowingly through dreams. I sever every soul tie, every spiritual agreement, every residue left from past encounters that has given the enemy legal access in the night. Let the fire of God consume it now.

Holy Spirit, I ask that You uncover any object, item, or possession in the natural realm that carries a spiritual attachment not from You. Anything in the home, anything gifted, inherited, or acquired that has become a point of access for the enemy—bring it into the light. Give discernment and conviction to remove it without hesitation.

Let dreams become sharp, vivid, and filled with divine insight. Give me revelation when I wake and the wisdom to know what steps to take.

I declare that sleep shall be sweet and protected. No weapon formed in the night will prosper. The voice of the Lord will be louder than every counterfeit voice.

Father, speak clearly. Reveal deeply. Establish Your dominion over my dream life.

In Jesus' mighty name, Amen.
