

## A Prophetic Prayer of Exposure & Discernment

Father,

Let Your light pierce through every shadow.

Shine upon every hidden agenda,

Expose every demonic strategy lurking behind friendly faces.

For Your Word says nothing hidden will stay concealed—

So let the masks fall now.

I decree: No counterfeit shall go undetected.

No false alliance shall stay entangled with my destiny.

Every imposter spirit—be uprooted, dismantled, and destroyed.

Every relationship sent to drain, delay, or deceive—

Be severed by the sword of the Lord!

I declare:

Holy fire falls upon every plan of sabotage.

The enemies of my assignment are scattering.

Those who smile in daylight but curse in secret—

Let their words turn to dust.

Let every monitoring spirit lose access,

Every whispering serpent be silenced.

I call on the Spirit of Truth—

Cut through confusion, distortion, and illusion.

Unveil the schemes of witchcraft,

Expose the lips that prophesy falsely,  
And let discernment rise like a flood within me.

God,  
Guard my oil. Guard my focus. Guard my voice.  
Let divine interruption come where deception has tried to linger.  
Let every counterfeit connection crumble,  
And let heaven's alignment be established in its place.

I plead the blood of Jesus over my mind, my space, my destiny.  
No weapon formed will prosper.  
No lie will live.  
No demonic alliance will last.

I rise in revelation.  
I rise in discernment.  
I rise with fire in my mouth and authority in my spirit.  
The enemy is exposed.  
The path is clear.  
And I move forward—unshaken, unstoppable, and sealed by the call of God.

In the mighty name of Jesus,  
Amen.
