

Heavenly Father, in the name of Jesus,

I come before You with a yielded heart. I lay down my will, my timing, my preferences, and every place where I have resisted Your hand. I choose to submit to Your divine shift—the movement of Your Spirit that is aligning me with heaven’s agenda.

Lord, uproot every fear of change, every hidden rebellion, and every comfort that has kept me bound to yesterday. I renounce stagnation. I break agreement with delay. I silence every voice that has tried to keep me out of position.

Holy Spirit, reposition me.

Shift my mindset. Shift my environment. Shift my relationships. Shift my focus—until I am standing exactly where You have ordained for me to be.

Father, order my steps according to Your Word. Establish me in the place You have designed for my life. Let every misalignment be corrected now, in Jesus’ name. Where I have been out of place, bring divine realignment. Where I have been hidden, bring divine unveiling. Where I have been resisted, release divine acceleration.

I declare I will not fight Your process—I will flow with it.

Grace me to move when You say move. Grace me to be still when You say wait. Grace me to discern the times and seasons so I don’t miss my moment of positioning.

I decree that I am stepping into divine placement—strategically positioned, spiritually aligned, and supernaturally established. Every door You have ordained will open. Every connection You have assigned will locate me. Every resource attached to my assignment will be released.

I surrender to the shift. I submit to Your design. I embrace my divine position.

In Jesus’ name,

Amen.
