

Warfare prayer for expected (grand) children

Heavenly Father, in the name of Jesus,

We decree and declare over every expected child/grandchild that this child shall be born into divine purpose, covenant blessing, and Kingdom destiny.

We prophesy that this generation shall not be captured by confusion, rebellion, darkness, or compromise, but shall arise dedicated unto the Lord.

We speak over the womb: BE FRUITFUL. BE STRONG. BE PROTECTED.

We cancel every assignment of premature death, affliction, trauma, infirmity, developmental disorder, fear, torment, and generational bondage in the mighty name of Jesus.

This child shall live and not die.

This child shall flourish and not be hindered.

This child shall carry wisdom beyond their years and favor beyond natural explanation.

We decree that the bloodline is being cleansed and healed. Every cycle of addiction, abandonment, poverty, abuse, divorce, witchcraft, confusion, and broken identity is being severed from this family line by the power of the Cross.

We prophesy that grandparents shall rise as watchmen and builders in this hour. They shall not simply observe the next generation—they shall help shape it through prayer, wisdom, impartation, and righteous example.

We decree Joel 2:25 that God is restoring the years the locust has eaten. What previous generations lost through pain and warfare shall be restored through covenant blessing and divine alignment.

This grandchild shall be marked by:

- purity,
- discernment,
- spiritual hunger,
- courage,
- favor,
- and the fear of the Lord.

We declare angelic protection around the pregnancy, the delivery, the mother, and the child. Let peace rest upon the household. Let joy fill the atmosphere. Let every anxious spirit be broken.

We decree open heavens over this child's life.

And we prophesy that this child shall become a generational answer—not a generational casualty.

This child shall know the voice of God, shall walk in truth, shall carry light in a dark generation.

And we decree:

THE BEST DAYS OF THIS FAMILY LINE ARE NOT BEHIND THEM —
THEY ARE AHEAD OF THEM.

In Jesus' mighty name,
Amen.
