

## Warfare Prayer Against Failure

**Father God, in the mighty name of Jesus,**

I come before You as a warrior—not a victim, not a quitter, not a failure. I stand in the authority of the blood of Jesus and I decree: **I shall not faint in the day of adversity!** I will not bow to the spirit of failure, and I will not break under the weight of pressure. The same Spirit that raised Christ from the dead dwells in me—and I rise up in resurrection power now!

**I cancel every demonic assignment of discouragement, weariness, and delay.** Every lie from the enemy that whispers, "*Give up,*" I command you to be silenced by the voice of truth! I bind the spirit of sabotage, the spirit of premature surrender, and every demon that has been sent to abort my destiny. **I declare: I will finish what God has started in me!**

I release the fire of God against every spirit of failure, every generational curse of quitting, and every stronghold that tells me I'm not enough. **Devil, you are a liar.** I am more than a conqueror through Christ who strengthens me. I break free from cycles of defeat. I tear down strongholds of fear and hesitation. I renounce every agreement with failure, and I align myself with heaven's victory.

**I decree breakthrough is my portion.** I decree endurance is rising up within me. I prophesy to myself: *You shall not quit, you shall not faint, you shall not fold.* You will push, press, and prevail. The Lord is my strength and my song—He has become my salvation.

**I speak acceleration, divine focus, and supernatural stamina over my life.** I decree an anointing to finish strong. I will walk through every open door. I will occupy every promise. I will run and not grow weary, walk and not faint.

I release angels on assignment now to war in the heavenlies and make way for the manifestation of God's perfect plan. **Failure is not my portion. Victory is my inheritance.** I seal this prayer in the blood of Jesus. It is done. It is established. It is so.

**Amen and Amen!** 🔥
