

## PROPHETIC DECLARATION: "I WILL SEE HIS GOODNESS—NOW!"

I prophesy over my life: I will not die in disappointment, delay, or discouragement! I decree the goodness of the Lord is overtaking me in this season, in this hour, in this very place.

Where there has been barrenness, fruitfulness is springing forth! Where there has been weeping, joy is erupting like a mighty river! Where I have only heard of breakthrough, now I will walk in it, touch it, testify of it!

Every lying spirit that told me God forgot me—I cast it down and trample it underfoot. Every assignment of hopelessness is broken by the anointing! I cancel the curse of "almost," "not yet," and "never."

I say YES to divine manifestation. I say YES to sudden goodness.

I say YES to the glory realm where miracles flow and favor chases me down.

## I will see it. I will live in it. I will declare it.

The goodness of the Lord is not a someday promise—it is my right now reality. I step into supernatural joy, divine visitation, and visible evidence of His hand in my life.

Angels are moving. Doors are opening. The wait is over. God is showing up!

In the name of Jesus!
