

Warfare Prayer for Recompense

Father, in the name of Jesus,

I enter Your courts with thanksgiving and into Your gates with praise. I boldly decree that You are the God of justice and recompense. Today, I align myself with Your promise that the wealth of the sinner is stored up for the righteous, and I stand on the authority of Your Word that You will transfer what the enemy has hoarded into the hands of Your faithful ones.

Lord, I repent for every area where I have doubted Your ability to restore and repay. I renounce every mindset of lack, poverty, and limitation that has kept me from expecting Your goodness. Cleanse my heart of unbelief and teach me to expect Your recompense as my covenant right.

I bind every demonic spirit that has been assigned to hijack, delay, or divert the resources ordained for me. Every spirit of theft, fraud, deception, and manipulation working against my inheritance—I expose your schemes and command you to release what you have stolen. You will repay sevenfold according to the Word of God.

I loose the angels of recompense to go forth now and gather every blessing, every resource, every opportunity, and every relationship that has been held back. I declare that divine transfers are being set in motion, and that **what the enemy meant for evil will be converted into a testimony** of Your faithfulness.

Father, I call forth the hidden riches stored in secret places. I decree that the wealth of the wicked is being shifted into the hands of the righteous **for the purposes of Your Kingdom**. I claim generational inheritance, favor, and provision that will establish legacy and overflow in my life.

By the authority of the blood of Jesus, I prophesy:

- **What was withheld will be released.**
- **What was delayed will be accelerated.**
- **What was stolen will be returned with interest.**

Lord, release wisdom and divine strategies to steward the harvest You are bringing. Thank You that You give wisdom, knowledge, and joy to those who please You, and that You are causing the ungodly to gather wealth and resources to hand over to Your faithful ones.

I seal this prayer in the name of Jesus.

I declare no backlash, retaliation, or counterattack.

It is done. It is established. It is manifesting now.

Amen and Amen!
