

## PROPHETIC DECLARATION: UNLOCKING THE SUPERNATURAL

By the Spirit of the Living God, I decree and declare:

This is the hour of awakening. The Lord says, “I am breathing fresh fire upon My remnant! I am stirring dormant gifts, hidden mantles, and buried anointings. The days of powerless religion are over. My Spirit is moving with precision, with passion, and with purpose!”

The Lord says, “You were not born for average. You were born for the supernatural. I have placed fire in your bones and oil in your hands. Now arise, My warrior, My intercessor, My prophet, My evangelist—arise and flow in the gifts I have given you. No longer will you be silenced. No longer will you be confined. I am unlocking realms of revelation, dimensions of glory, and rivers of power.”

I prophesy:

- You will speak with boldness, and the gifts of the Spirit will flow like a river from your mouth.
- You will lay hands on the sick, and they will recover.
- You will dream dreams and see visions—real-time instructions from the throne room.
- You will walk in a new normal of the supernatural—miracles, signs, and wonders shall follow you.
- Every assignment of spiritual lethargy and religious stagnation is broken now in Jesus’ name!

PRAYER POINTS:

1. Father, stir up every spiritual gift within me.  
“Lord, fan the flames of the gifts You have placed in me. Let them burn with intensity and accuracy.”
2. Holy Spirit, activate my discernment and sharpen my hearing.  
“Remove every spiritual blockage. Let me hear the sound of heaven and move in sync with Your whispers.”
3. Lord, release fresh fire upon my hands and mouth.  
“Anoint me for miracles, for declarations, for power encounters that glorify Jesus.”
4. I bind every spirit of fear, intimidation, and doubt.  
“I cast off every lie that says I’m not worthy, not ready, not called. I embrace the fullness of my spiritual identity.”
5. Father, make me a conduit of the supernatural in the earth.  
“Use me to display Your glory, Your love, and Your power to a generation hungry for the real.”

Now lift your voice and decree:

“I am a carrier of God’s power. I am a vessel of His Spirit. I will walk in signs, wonders, and miracles. The supernatural is my inheritance—and I will not settle for less!”

Let the fire fall. Let the gifts flow. Let heaven invade earth—through YOU.
