

Warfare Prayer against Trickster Spirits

Heavenly Father, in the mighty name of Jesus,

I take my seat in heavenly places and stand in the authority of Your Word that says I am an heir and citizen of Heaven. I decree that every **trickster spirit**, every lying and deceptive assignment sent against my life, my calling, my finances and my relationships is under my feet, and is being exposed and overturned **now**.

I come against **chameleon spirits** that try to blend in, hide, and operate through manipulation and false appearances. Be revealed and cast out by the light of God.

I bind **masquerading spirits** that disguise themselves as truth, wisdom, or friendship while carrying deception. Your mask is removed by the fire of the Holy Spirit.

I rebuke every **jester spirit** that seeks to mock, distract, and turn divine assignments into confusion and delay.

I command every spirit of trickery, confusion, and spiritual illusion to lose its hold now. I break their influence over my mind, relationships, calling, and atmosphere. Every hidden scheme is uncovered. Every covert attack is brought into the light.

Let the Spirit of Truth arise. Let discernment sharpen.

Let the fire of God burn away every counterfeit.

I decree that only what is from the Lord may remain. My spiritual eyes are open, my ears are clear, and my path is aligned with heaven. No deception will prosper against me.

Father, release your high ranking warrior angels to encamp around me. From today forward I decree that I walk in divine clarity, authority, and victory.

In Jesus' name, Amen.
