### \* Consumer Advisory

The Department of Public Health advises that consumption of raw or undercooked foods of animal origin, such as beef, eggs, fish, lamb, pork, poultry or shellfish, may result in an increased risk of food-borne illness.

Individuals with certain underlying health conditions may be at higher risk and should consult their physician or public health official for further information.

### Allergen Disclaimer

We take food safety seriously, but please be advised that all menu items are prepared in a shared kitchen where allergens, including nuts, dairy, gluten, and shellfish, may be present. While we do our best to accommodate dietary restrictions, we cannot guarantee that any item is completely free of allergens. For specific concerns or questions, please speak with your server or the manager.
