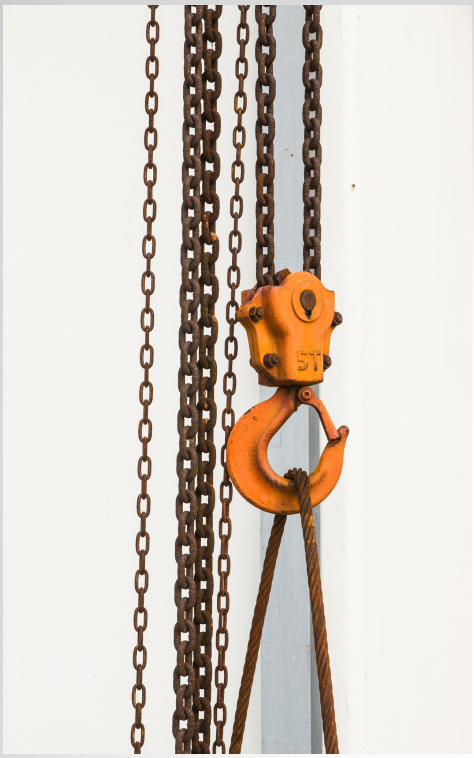
GULF COAST TOOL & RENTAL

HOISTS & PULLERS



WE INSPECT, REPAIR, TEST & CERTIFY

All hoists and pullers are digitally tested and certified using our custom built Certified Dillon Digital Load Cell at 125% of rated load.

Each hoist is first visually inspected for any potential failures, buffed, degreased, and then cleaned to remove any dirt, rust, oil, water, etc. Damaged or worn parts will be replaced, and hoist is then tested at 125% of rated load. All hoists will be repainted, decals will be replaced, and will always come with a load test certification.

RENTALS AVAILABLE!

NEW: QR-CODING!

All testing certs will now be included in a QR Code format! never worry about losing your certs while on the job again. With this new feature, you can access your certs *on-the-go, anytime, anywhere*. Simply scan the QR Code with your smartphone and access your GCTR testing cert at your convenience.

WE KNOW EVERY EMPLOYEE, CUSTOMER AND VENDOR HAS A CHOICE.
WE ARE COMMITTED TO BEING THAT CHOICE.
