GCTR CONTACTLESS TEMPERATURE STATION

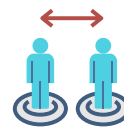

GCTR is now offering a Contactless Temperature Station to help you keep your business and employees safe. This system quickly scans your employees or customers for elevated temperature and records the information to an external storage drive. It is completely contactless and non-invasive, providing a safe way to test for a customizable temperature threshold. It is available for rent or purchase. To learn more and see how it works, visit www.gctr.com/contactless-temp-station.

ENABLES SOCIAL DISTANCING

Non-contact and non-invasive screening eliminates contact between staff & participants. Can measure up to 5 feet away.

EASY TO USE

Quick set-up and easy to use. Start scanning in minutes using 2 tripods and a PC (provided).

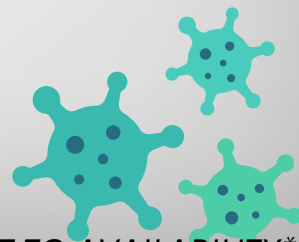

FAST, AUTOMATED SCREENING

Screens 1 person per second, automatically detects a face, finds the most reliable spot to measure and displays an instant pass/fail alert on your monitor.

AFFORDABLE

Priced significantly lower than other thermal screening solutions while maximizing efficiency and accuracy.

WE KNOW EVERY EMPLOYEE, CUSTOMER AND VENDOR HAS A CHOICE. WE ARE COMMITTED TO BEING THAT CHOICE.
