

GULF COAST
TOOL & RENTAL

gctr.com // (832) 456.4585

"THE MOST INNOVATIVE AND
ADVANCED ONE-STOP SHOP
FOR TOOL RENTAL AND
REPAIR IN THE INDUSTRY."

ABOUT THE OWNER // PATRICK KAHANEK

Gulf Coast Tool & Rental is 100% privately owned. Patrick KahaneK has been in the industry for 40+ years and has taken GCTR to the next level when it comes to quality assurance, technology, and innovation. He is not only

involved in the day to day operations, but is actively involved in the development of all GCTR products and technology. Patrick is always on-site and accessible every day to ensure that all day-to-day operations run seamlessly. In addition to successfully running GCTR for the past 20+ years, Patrick is also a member of the NCHA and raises and shows cutting horses. The GCTR team looks up to Patrick for his leadership, work ethic and ability to treat everyone with fairness and respect.

ABOUT GULF COAST TOOL & RENTAL //

For nearly 20 years, Gulf Coast Tool & Rental (GCTR) is the Petrochemical industry's trusted partner for Tool Repairs, Tool and Vehicle Rentals, and Pressure Technology. GCTR services contractors and owner/operators along the Gulf Coast, including Corpus Christi, Houston, Beaumont, Louisiana, and other surrounding areas.

Our Executives and Managers know that employees, customers, and vendors have a choice where they work and do business. Here at Gulf Coast Tool & Rental, we are committed to being that choice. The executive and management team goes through extensive training in order to affectively disseminate the Gulf Coast Tool & Rental vision, values, and brand to their employees, customers, and vendors.

TOOL REPAIR

There's Nothing We Can't Fix.

You know the kids that grew up taking things apart just to see how they worked and then figuring out how to put them back together? That was us. Today, our repair expertise comes from our vast amount of Petrochemical industry experience, repairing numerous industrial tools. Most importantly, it's not just about getting the job done, but getting it done right. Our high-quality tool repairs ensure you can get your job done right. In addition to tool repairs, we also sell tool parts.

- Pneumatic
- Hydraulic
- Electric
- Mechanical
- Hoists - Includes: Inspection, Repair, Computerized Testing, & Repainting. All hoist repairs come with calibration certifications.

VEHICLE RENTALS

Reliable Transportation - Now.

Gulf Coast Tool & Rental is your "one-stop-shop" for not only tools, but also vehicles. As with all of GCTR's rental products, rest assured you are renting high-quality vehicles with unmatched customer service from Petrochemical industry veterans that understand why this is so important.

Vehicle Rentals:

- Standard Pickup Trucks
- 1-Ton Flatbed Trucks
- Trailers
- Vans
- Buses
- And more...

TOOL RENTALS

Your Go-To Consultants and Supplier.

Our full-service tool rental department ensures you not only get the best service and the fastest turnaround, but also the right tools for the job. Our team of tool rental specialists can assist with identifying the tools our customers really need to execute their projects.

RADIO RENTALS

Communication That Never Stops.

GCTR rents high-quality Motorola MOTOTRBO Series XPR-3500e radios and SLR 5700 Series repeaters for Petrochemical jobs and plants nationwide. Our team provides on-site programming and the same reliable service you know us for.

PRESSURE TECHNOLOGY

Our Superior Design.

Hydrostatic Test Pumps

Other Hydrostatic Test Pumps were just not good enough—so we built our own. GCTR brand test systems include six series. Each series has multiple configuration options and different optimum application types. If you have specific needs, we can custom-build to those specifications, too. We also repair all hydrostatic test pump brands.

Pressure Gauges

GCTR offers calibration services for pressure gauges, in addition to new gauges for purchase and calibration. All gauges come with QR-coded calibration certifications.

Contact us at **(832) 456.4585** or **sales@gctr.com** to speak with one of our specialists to determine your repair and rental solution.
