Item# PAS20BA-BC

## **Predator 20 Battery Powered Scrubber** Item# PAS20BA-BC

### **EASY TO USE, EASY TO CLEAN AND EASY TO TRANSPORT**

- Durable roto-molded housing is virtually indestructible
- Parabolic swing squeegee for effective solution recovery on tight turns
- 200 RPM brush speed for aggressive cleaning performance
- Low-profile, ergonomic design provides easy maneuverability
- In-line solution solenoid valve controls solution flow optimizing cleaning times
- Fully removable solution tank provides quick access to the batteries for routine maintenance
- Powerful .75 hp, 2-stage tangential discharge vacuum motor
- Quick release solution and recovery tank drains for effortless clean-up

## LOW-PROFILE, ERGONOMIC DESIGN

The Powr-Flite PAS20BA-BC Automatic Scrubber is the simplest, most durable and user-friendly machine in Powr-Flite Predator Series of Automatic Scrubbers. Solution flow is activated by the brush/pad driver to conserve water and cleaning chemicals, while the parabolic swing squeegee picks up all the solution even on the tightest turns. Easy to use, easy to clean and easy to transport, the Predator 20" takes cost-effective floor scrubbing to new levels!

The compact design of the Predator 20 is a true labor-saving alternative to a mop, bucket and wet/dry vacuum.

Removable recovery tank provides easy access to internal components.

Simple control panel includes key switch, battery meter and hour meter.

Easily accessible batteries

Fully adjustable parabolic swing squeegee provides complete solution recovery even on the tightest turns.

PRODUCT SPECIFICATIONS	
<b>MODEL</b>	PAS20BA-BC
<b>CLEANING WIDTH</b>	20"
<b>SQUEEGEE WIDTH</b>	Fully adjustable parabolic swing squeegee, 30"
<b>SOLUTION/RECOVERY TANK</b>	11/12 gal.
<b>BRUSH MOTOR</b>	.75 hp, 200 RPM
<b>CLEANING EFFICIENCY</b>	17.500 ft <sup>2</sup> per Hour
<b>VOLTAGE</b>	24V DC
<b>VACUUM MOTOR POWER</b>	.75 HP, 2-stage tangential discharge
<b>WEIGHT (WITHOUT BATTERIES)</b>	210 lbs.
<b>LENGTH X WIDTH X HEIGHT</b>	49" x 26" x 44"
<b>BATTERIES</b>	12 volt, 115 a.h. @ 20 hr. rating (wet)
<b>WEIGHT</b>	220 lbs. without batteries 372 lbs. with batteries
<b>WARRANTY</b>	5 yrs. - tank, 2 years - brush/vacuum motors, 1 year - parts and labor
