### OPPORTUNITIES

## ABOUT THE FESTIVAL

Located in Downtown Abbeville, the Louisiana Cattle Festival aims to support the promotion of the cattle industry as a commodity and agricultural asset to the economy of our state, while encouraging and providing community engagement opportunities. Held annually in October, the Louisiana Cattle Festival & Fair honors all aspects of the state's cattle industry, encompassing beef and dairy producers, consumers and everything in between through three days of family-friendly music, art & crafts, contest, food and fun!

## WHY SPONSOR?

The Louisiana Cattle Festival offers your business the opportunity to increase visibility through connecting with an audience who is passionate for south Louisiana's "joie de vivre"! Our unique way of life, including celebrating both the cultural and agricultural commodities of cattle, pairs beautifully with our festival's Cajun experiences of music, fun, food, and of course- BEEF! If you're seeking the attention of a broader audience and increased exposure within Louisiana tourism, sponsoring the LA Cattle Festival is for YOU!

*By becoming a sponsor of the Louisiana Cattle Festival, you are sponsoring a festival that is extremely important to our community, celebrating and promoting the cattle industry of Vermilion Parish and the state of Louisiana. Our great hospitality and friendship welcomes people from all over the country and world to one of the most historic festivals in Louisiana, featuring our unique Cajun culture with pageants, food, music and parades, while honoring pioneers in the cattle industry. Finally, sponsoring the LA Cattle Festival is an asset to your business!*
