

2018-2019 Enrollment

Welcome to our Mountain View Montessori community. Our staff and families are looking forward to working together and building our school family this year. We are planning a fun summer program and a productive school year!

Please complete the enrollment packet and return to MVM as soon as possible, in order to hold a place for your child in the program. When submitting the packet please have a check attached in the amount of \$591.25 (increases July 1st, 2018 due to taxes) to cover the application and enrollment fees.

If you are planning to have your child in the summer program we would also appreciate you turning in the application as soon as possible in order to hold a space for your child.

Any concerns or questions contact Ms. Susan at (505) 554-3849

Thank you,

Ms. Wendy
