

## Meet the Team

### Megan Fifield

If you have ever spent time in Yountville, you have most likely met Megan. From her time at Kelly's and Jessup Cellars, she has been a fixture as a local ambassador. Ready for her next career step, Megan transitioned to us to lead the hospitality charge.

### Sal Aguilera

Sal comes to us from the prestigious restaurant at Auberge du Soleil. As a captain, he led a team of service-oriented professionals in one of the highest rated restaurants in the Napa Valley.

### Eric Muensterman

Eric joins the BFW team to manage events at the new facility. In addition, to housing the tasting room and winery, the facility has the capability of hosting private and corporate events.

# Benton Family Wines

## New Name, Same Great Brands

Many of you may have noticed a change to our name in recent months. This change in name coincides with the opening of our new tasting room and urban winery in downtown Napa, CA.

*Main Tasting & Event Room*

*Private Tasting Room and Library Cellar*

With two brands, Croze and Smith Wooton, we could not choose between the two to name the new location. So, we went back to our roots and chose to use our family name as the facility name. Our 7,000 square foot facility houses our recently opened tasting room and production winery for both brands. The tasting room pours a selection of Croze and Smith Wooton wines daily by appointment and walk-in. Reservations can be booked at [bentonfamilywines.com](http://bentonfamilywines.com) or by calling us directly at 888-317-8819. In addition, you can email [info@bentonfamilywines.com](mailto:info@bentonfamilywines.com). This facility offers club members additional benefits and value as part of our family. We look forward to hosting you on your next trip to Napa!

## Harvest Wine Club Shipment

### 2016 Croze Rutherford Cabernet Sauvignon

The Rutherford Cabernet Sauvignon has been a staple in the Croze portfolio. This wine demonstrates all that Rutherford cabernet should be. It has elegance and an earthy palate the lingers on the finish.

### 2017 Croze Coombsville Cabernet Sauvignon

This marks the first cabernet sauvignon produced from the Coombsville AVA for Croze. This area is known for rich tannins and deep color. This wine has depth and complexity yet is balanced with a seductive finish.

### 2018 Croze Rosé, Napa Valley

Captivating aromas of strawberry, cranberry and red apple fill the glass. Light weight in the mouth with waves of bright red fruit that roll across the palate. Mouthwatering acidity dances on the tongue complementing a juicy finish.

---

*“I was recently introduced to Benton Family wines. The experience was absolutely the best. From the craftsmanship of the wine to the 'down to earth' attitude of ALL involved. Welcoming, Comfortable, and of course Delicious wine. Thank you, Daniel, for the invitation, what a unique experience.” Bill*
