

Write the Story of Your Life Through Art

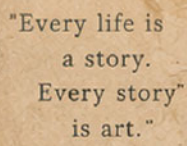

Here, your life inspires your canvas, the blank paper, the uncut wood.

You will be gently guided to shape your story in paint, wood, clay, words, mosaic and more.

Each day offers a chance to explore, to play, to reconnect and to rediscover your style & creativity in a setting where time seems to slow down.

CYPRUS ART RETREAT 2026 / 2027

"Write the Story of Your Life Through Art"

Give yourself the gift of time, beauty and creative freedom. High in the mountains of Cyprus, in the beautiful, unspoilt mountain village of Agioi Vavatsinias, you are invited to step away from the noise of everyday life and reconnect with who you truly are.

This all-inclusive Art Retreat is an investment in yourself: a chance to reconnect with Nature, Art and the simple joy of sharing good food in good company.

Whether you are a complete beginner or a seasoned professional Artist, young or old, there is space here for your story and your imagination. We offer special Art programmes for children.

You are always free to take time for yourself whenever you want in the Art Retreat. You are free to enter the workshops and the meals together, as well as choose other routes to walk alone in the mountains, sit on a mountaintop and reflect or something else you want to do.

All-inclusive Cyprus Art Retreats

All-inclusive means you are cared for from the moment you arrive.

Airport pick-up and transfers to and from Larnaca or Paphos are all arranged for you. On arrival you will be personally welcomed by Founder Tim Price or Art and Crafts Co-ordinator Emma Andreou.

Included are all your food and drinks. You will enjoy breakfast, lunch, dinner, complimentary coffee, tea, water and other refreshments in the Heart of Cyprus Art Retreat at “Chloe’s Kitchen” by Chef Chloe Antonia in mountain village Agioi Vavatsinias.

Included is your accommodation. You will be in the peaceful and luxurious “Mountaintop Retreat Villa” (on a first come, first served basis) or in a charming nearby mountain village house in Agioi Vavatsinias, with your own room with fresh linens and towels and a (shared) bathroom.

Included is all transport within the retreat programme. You will be driven to the sea, the mountains, the waterfall, monasteries, and other inspiring locations.

All workshops are in the Cyprus Art Retreat Studio, Gallery or outside for example under the shade of the trees at Chloe's Kitchen, the waterfall or the Sea.

Simply arrive and allow yourself to be looked after:
www.cyprusartretreat.com

Not included: flights, travel, liability, medical insurance and taxis for personal trips outside the programme. If you choose alternative accommodation (such as a 4 or 5-star hotel in Limassol - one hour away) or additional activities or food outside the Retreat Programme, these will be at your own expense and risk.

YOUR RETREAT WILL BE ART CURATED

Your high-end Art Retreat will be designed around you by Founder and Art Curator Tim Price.

On the first day after arrival, you will meet with Tim to share your wishes for your stay in the quiet mountain village Agioi Vavatsinias in Cyprus.

Tim will curate your workshops and your intentions for your stay. There is room to discuss questions like (for example): Who are you beneath all your responsibilities in personal life and business? What are all the roles you play? What has your life been about so far? What might your next, braver step look like?

Painting, wood sculpture, mosaic, video, charcoal, writing, drawing, poetry and clay become your companions on a journey back to your authentic self. Surrounded by still mountains and the gentle rhythm of village life, you are invited to listen deeply to your own voice and allow new chapters to unfold.

FREEDOM TO TAKE TIME FOR YOURSELF: ANYTIME

You are always free to take time for yourself whenever you wish. Join the workshops and shared meals or choose your own path: walk alone in the mountains, sit quietly on a mountaintop, reflect, write, paint or simply enjoy the silence.

This retreat is designed around your own rhythm.
