Correspondence: Discussion made on an email from Mary Pokorny. Her worry is that the road she lives on Badger Lane Private is not recognized by UPS or FedEx. She stated in her email that they pay taxes and do not receive plowing or garbage pick up. She asked what it would take to have their road recognized? And asked if it would be possible to have a sign put at the corner. The board agreed that because this is a private road and not a town road there isn't anything that can be done. Clerk Horacek stated that she did tell her that.

Voucher List: Was submitted in the amount of **\$11,198.36**.

A motion was made by Supervisor **Gold**; 2nd by Supervisor **Horacek** to accept the voucher list as submitted and pay the bills. **Motion Carried**

Highway:

Terry: Worked in the shop, put up new cabinet. Picked up cold patch, patched roads. Mowed roads. Will be putting gravel on Chicago now that the culvert was replaced.

Wayne: Graded, cut trees, weeded around all signs in the township. Cut grass at town hall. Cold patch roads. Had to re-grade 5th Ave and Beaver because of 4 wheelers.

Fire District: There was no meeting last month. Chairman Sigourney stated he saw the fire trucks in Hancock, and they had the Coloma Fire Department on them. He felt that was not right and they need to be changed back to the Hancock name. Supervisor Horacek agreed. Chairman Sigourney also asked if the fore chief must live in Hancock. Supervisor Gold stated that they do not, and they will be working on a new fire chief when the contract is up with Coloma.
