Public Comments: Dave Breitreutz talked about the fire at Jim Graf's junk yard on 6th Ave. He stated that someone had been living in a trailer out back. The fire was called in as a grass fire. They had to wait for the DNR to come with dozers. Dave stated that he should be keeping all the liquids off the ground. But he doesn't think he is.

The neighbor to the south had trees bull dozed down because of the fire. Dave stated that the DNR said they would not fine Graf for anything because he has nothing. He also stated that someone needs to do something to get the junk yard cleaned up, next time it might be worse.
