Clerk Horacek stated that Stewart Duckworth stopped to ask why 4th Ave. had not been graded yet. She informed him that the town's grader was being replaced. He asked why, since it wasn't that old. She stated that there was damage that was done in error and because the cost of repairing it was too high. It made more sense to replace it. Clerk Horacek stated that she filed the Room Tax Report with the state. It was asked why she would have to file that report, when there are no hotels in the township. She stated that the state still requires the clerks too go in the website to file state that we have none.
