His concern is that people are going to the dump after hours when it has already been closed. He said they were dumping car parts. He did go in the fenced area and said that there were car body parts in the dumpster. He also stated that he did take pictures of the stuff in the dumpsters. Dressers have also been dumped in there which he did not understand since no wood was supposed to be put in the dumpsters. Terry Thompson stated that they bring new dumpsters on Wednesday's, but by the weekend they are halfway filled. Chairman Sigourney stated he would call the chair from the Town of Richfield. Mr. Kerney stated that it has been Ron Burrows and his son that have been doing the dumping after hours. He feels it is wrong that the town supervisor should be able to do this.
