C G/B Am
Scrolling through my phone and all I see are pictures of you

Some of them were live, so I got to listen to you laugh

Reliving the days when we went out on our walks
C G/B Am
Hiding from your parents just so we could be free

When I said, "You'll BE MINE forever, darling"

Never once did I think I'd lose you

Chorus 1:

Am F
When I smiled, you smiled, and our hearts felt
C G
This love bluer than the whole sky
Am F
We had the time of our lives
C G
Singing in your room, "You look perfect"
Am F
Oh, WHEN YOU WERE MINE
C G
We'd walk down the street, keeping close together
Am F
Playing little games and saying stupid jokes
C G
Oh, I just miss WHEN YOU WERE MINE

WHEN YOU WERE MINE

Verse 2:

C G/B Am
Seeing your ghost and hearing your voice everywhere
C G/B Am
Our inside jokes are still with me. Are they with you?
C G/B Am
When I hear a piano, I still hear you go, "da da da"
C G/B Am
Trippin' on my feet, wishing you were there lifting me up

F C G
When I said, "You'll still be in my heart forever"
F C G
You still are

Chorus 2:

Am F
Your smile is so mesmerising
C G
Wish I could still dive in and you'd still be my angel
Am F
Ah, the breeze in the air
C G
Is flowing through your hair just like the beach in Bondi
Am F C
Your eyes still glisten through a picture on the phone
G
I still look into your eyes, and the memories form
Am F C G
Oh, I just miss WHEN YOU WERE MINE WHEN YOU WERE MINE

Bridge:

Am F
Oh, I miss your green eyes, those starry skies,
C G
Your sweet smile when I made you laugh.
Am F
Your curly brown hair, the paint on your nails
C G
Matched the dress that you wore and those pretty brown boots
Am F
Walkin down the street to the beat of your heart
C G
When we went out to eat and you gave that card
Am F
You said, "This is our first of many more."
C G
But now all the question is...
F CG F CG
Was it the last? Because you use to BE MINE
F CG F CG
You use to BE MINE You use to BE MINE

Chorus 3:

Am F
Come back, come back to me, baby
C G
I need you in my arms more than ever
Am F
So much time has passed since you faded away
C G
I just want things back WHEN YOU WERE MINE
Am F
When your soft, smooth voice was always in my head
C G
My head was on your heart listening to it beat
Am F C G
Your hand was in MINE for what I thought was forever WHEN YOU WERE MINE
