After a brief discussion Supervisor Slebodnik moved to approve the renewal of the Township's liability and workers' comp insurance. Supervisor Totsky seconded that motion. The motion passed with a voice vote with all Supervisors present voting yes.

The meeting was then open for public comments, questions, and requests. Bob Warren questioned why he is required to remove his trailer from his property. The board explained that it was a violation of the zoning ordinance. Because Mr. Warren appealed the violation Solicitor Casper noted that no discussion could occur due to an open legal matter. Pat Carey proposed the Township take over Wagner road in Lake Point estates after it is brought up to specifications at a cost to the Township of \$27,000. Solicitor Casper recommended that Mr. Carey provide to the Township a letter with all the names and addresses of the residents involved. Mike Mazza questioned if Wagner Road would be brought up to specifications as other roads were required to do. Bob Kilmer noted that the condition of Flossie road is deteriorating but that Nick Bonczkiewicz told him it would be taken care of. Theresa Kilmer was concerned that the police chief is retiring and commented on the good job that the police department is doing.

Supervisor Totsky moved to adjourn the meeting. Supervisor Slebodnik seconded that motion. The motion passed with a voice vote with all Supervisors present voting yes. The meeting was adjourned at 8:27pm.
